

*Purpose*

*Capture the key components involved in the game of basketball as it symbolizes Tanner's journey towards self empowerment and fulfilling his dreams.*

*Materials & Joints*

*Ash wood is used to emphasize powerful movements and a solid foundation. A simple dowel connection allows for a pivoting arm while a wooden pin is used to interconnect the pieces.*

*Strength & power:*

*Rhythmic forms depict the energetic motions of players' arms while shooting a basketball.*

*Teamwork:*

*A support system is represented by harmonious, uplifting expressions that together form a solid foundation.*

*Success:*

*An assertion of confidence is seen through the effortless balance of a ball on a pivoting arm. The ball is the ultimate sense of achievement and success; the Goal.*
